

Shareware and Software Vendors:

You are free to distribute the Basics of Space Flight for Windows Demo, but we ask that you do the following:

1. Do not charge a distribution fee for a copy of the program.
2. Do not modify or remove any of the files included with the program.
3. Do not "bundle" the program with any hardware product, without our permission.
4. If you want to be a reseller of the program, contact us for terms.

Thanks!
