Things to do
Version 1.1

About:
Things to do programm to manage your appointments. I think it is not as good as Organizer and so on but there fore it is free!

Credits:
I would like to wish many people for their work:
- my parents, because of them I could develop Things to do
- Apple for HyperCard by which Things to do was developed
- David Chow for "GetCP"
- John Sudderth for "AboutBoxScroll"
- Tracy L. Hinshaw for "MyAlert"
- R. Geisler for "Balloon"
