

lox Arcade

This 'Tetris'-like game consists of a series of blocks that start falling one after the other. They have to be put in order by rotating them. If a row is formed with no empty spaces it will disappear, and the other blocks will go one row down.

rick Attack

Brick Attack is a remake of one of the classics. It's based on the Breakout model, the game in which you destroy all the bricks on your screen by bouncing a ball off a paddle. The game features ray-traced graphics and smooth animation in thousands of colors, plus stereo sound and lots of cool bonus prizes. This program is to be used with Power PC computers only. To run efficiently, this program must be copied to your Hard Drive.

eluxe Klondike

Klondike is a classic solitaire game, brought to your Mac's desktop with Deluxe Klondike. The game features three different deck styles, large and colorful cards, multiple background patterns and card back, three different scoring options, multiple levels of Undo and Redo, automatic save, automatic play, and more.

nemy Bomber Balloons

These days, finding a game that doesn't require a powerful Mac can be a daunting task. However, Enemy Bomber Balloons doesn't require a lot of memory. This is an arcade style game in which balloons float and drop bombs. Your mission is to shoot down the enemy balloons, and avoid being hit by the falling bombs in the process.

nfinity Quest II

Infinity Quest II is the sequel to the adventure game Infinity Quest. The evil sorcerer Karvarel is in a bit of a bad mood; Young Prince Argonn, whom he sought to destroy in the original game, has survived and become more popular than ever before. Well, if at first you don't succeed, try again, and that's just what Karvarel is doing. As you take on the role of Young Prince Argonn, you suddenly find yourself in Karvarel's compound. Battle your way to freedom by slaughtering Karvarel's creations, foul monsters intent on our destruction. It's you and your sword against a big heap of evil.
