

Taylor's Zoo

One of the biggest adventures for children is a trip to the Zoo. Now you can take them there without even leaving the house. Each time they go to Taylor's Zoo, a different set of animals can be seen..Also included in this package is the Taylor Says game, where Taylor challenges children with sequences of letters, numbers, colors, and objects to improve their memory skills, A certificate of achievement, that children can print, is awarded to them as they pass the levels. Taylor's Zoo provides positive encouragement as children learn about letters, shapes, colors, and more.
