

What Smart Kids Know about Strangers

Most people in the world are friendly and kind, but a small number of people are wicked and cruel. Because of these few bad people, smart kids need to be careful around all strangers. Never talk to strangers, never walk alone, and never, ever get into a car with a stranger. Smart kids need to make sure they play in safe places and know where to go for help. Staying safe from strangers is an important part of being a smart kid!
