

The Junior Science Series  
Volume #2 - Shadows

Peter Pan couldn't find his shadow because it had run away from him, but of course in the real world, this doesn't happen. With the help of Mama and Baby Bird, along with Mr. Bear, your child will learn not only why, but how shadows are created. With the lessons of The Wise Man, children will be able to help Mr. Bear get rid of a scary monster. Help your children have fun learning about the world around them with All About Shadows.
