

# Great British Software Ltd

## YOUR PROPOSAL AS PROMISED!.

Dear Mr Jones

Thank you for visiting us at Great British Software today. I'd like to confirm what was discussed in the meeting to ensure it meets with your approval.

The cost of the system is dependant on the specification of course, but as you mentioned, you were interested in full facilities management software, which I have included below.

### **GBS FM System 1**

### **GBS Document Management System 2**

Implementation date will be set by yourself when our consultant visits with you next week.

We have included some further information on all our other products and services which may be of interest to you.

Yours sincerely,

A. Johnson.

Customer Consultant.
