as well as an order form which you can fax or mail to us.***

There are two ways to obtain the FULL PROZip Program:

- 1. DOWNLOAD THE EXTRACT-ONLY VERSION OF PROZip FROM OUR WEBSITE 24 HOURS A DAY** at ***www.prozip.com***, then purchase the necessary activation codes from RT Computer. This method is advantageous if you wish to purchase and receive the PROZip activation codes nearly immediately-no matter where you are in the world.

The extract-only version can be converted in to the full version of PROZip, with all the features and functions, by simply purchasing a set of activation codes from RT Computer. Once you install the activation codes into the extract-only version, it is automatically converted into the full PROZip program. No additional downloads are required.

Instructions for purchasing the activation codes with your credit card via email are available on our website and within this document.

- 2. ORDER THE FULL VERSION OF PROZip DIRECTLY FROM RT COMPUTER.**

If you do not want to obtain PROZip via download, or wish to receive a program disk use this method. PROZip is delivered on 3.5" disks only.
