Conceptworld Corporation retains all right, title and interest in and to the Software.

This License permits you to use the Software on a single personal computer or workstation and to make one copy of the Software in machine-readable form for backup purposes only provided that any copy must contain all proprietary notices included in the original.

You may distribute the evaluation version archive and make as many copies as you like provided that it is the official evaluation version archive. You are required to verify this.

You may not modify, translate, rent, lease, distribute or lend the Software, and you may not sell to others the right to use the Software on your computer. You may not remove any proprietary notices or labels on the Software.

You may use the Documentation to assist in your use of the Software. You may review the Documentation, but you may not make further copies of the Documentation. You own the media on which the Software is recorded, but not the Software itself or any copy of it.

You may not attempt to create or derive any of the source code or other technology or data within the Software by disassembly, reverse engineering or any other method.

Neither the author nor anyone else who has been involved in the creation, production or delivery of this product shall be liable for any direct, indirect, consequential or incidental damages arising out of the use or inability to use such product.

This License is effective until terminated. You may terminate this License at any time by destroying the Software, and all copies thereof.
