Please click "I accept" to install if you accept this License.

This license agreement ("License") is a legal agreement between you (either an individual or single entity) and NewSoftwares.net Inc. At the end of the License you will be asked to accept this License and continue to install. By installing, copying or otherwise using the Software, you agree to be bound by the terms of this License. If you do not agree to the terms of this License promptly return the unused software to the place from which you obtained it for a full refund.

1. EVALUATION PERIOD: You may use a Shareware Copy of the Product for an evaluation period of up to 20 trials, in order to determine whether the Product meets your needs before purchasing it. Once the evaluation period ends, you agree to either purchase a Registered Copy of the Product, or to stop using it.

2. USE OF THE PRODUCT: While you are evaluating the Product, you must not (a) defeat, or try to defeat, messages in the Product which encourage users to register; (b) modify or prepare derivative works of the Product; (c) reverse engineer, decompile or disassemble the Product; (d) and you can not modify any file that come with the Product.

3. IS THIS A LEGAL COPY? You can determine whether this is a legal copy of the software or not by clicking the about button in the software. If you find it written 'Unregistered' next to the 'Licensed to:' field, it means that the user is evaluating the product. Otherwise if you find a person's name or a company name next to the 'Registered to' field, it means that the user is running a registered version of the software. If someone finds a different name of person or an organization in the 'Registered to' field, please report it to us. We will take legal action against the abuser.

4. DISTRIBUTING SHAREWARE COPIES: You may make copies of your unregistered Shareware Copy of the Product to give to others, however you may not sell Shareware Copies of the Product for a profit. Distributing the registration key (that you obtain after buying) is Illegal in USA and foreign countries. Also, you may not: (a) distribute registered versions of Product (b) ship incomplete versions of the Product; (c) defeat or try to defeat, messages in the Product which encourage users to register their software or actively discourage user registration in any way.

5. TERMS OF USE: This product is an encryption plus a locking software. If you want high level of security for very sensitive files, kindly choose to encrypt your files instead of locking. Do not try to decompile, delete or misuse the files that come with the software, or this could result in severe problems. Please note that if you try to encrypt your files on a CD-RW or any unwritable device or if a sub folder inside the 'Locker' folder is open while you are protecting your files, then the program will not encrypt or scramble, but only lock your files. So make sure you take all precautions needed before using the software. Also note that the password is not case-sensitive, this is to prevent forgotten and mistyped passwords.

6. TRADEMARKS, COPYRIGHTS AND PATENTS: Folder Lock® is a registered trademark. Skin, source code and images are all copyrighted©. '5-Levels of Locking' and 'Locker Convenience' are patent pending technologies. Caution: Please note that we take all kinds of infringements very seriously. Other product and company

names in this document may be the trademarks of their respective owners and are hereby acknowledged.

7. WARNING: This product is protected by copyright laws and international treaties. Unauthorized reproduction or distribution of this program, or any portion of it, may result in severe civil and criminal penalties, and will be prosecuted to the maximum extent possible under the law.
