**INTRODUCTION**

PCMedik is a tool that optimizes your computer performance. Tired of your computer crashing or acting real slow? PCMedik is medicine for your computer and heals these problems from occurring. PCMedik also boosts your computer performance by modifying several system settings, so you can now use that old computer of yours at optimum performance. No installation or modification needs to be made to your hardware, PCMedik does all the complicated settings for you instantly. Try PCMedik for 28 days and if you find it useful please do register.

**MINIMUM SYSTEM REQUIREMENTS**

- \* Microsoft Windows 95, 98, 2000, Me, XP, NT 4.0
- \* Microsoft Internet Explorer 3 or higher
- \* Intel Pentium 90 MHz or higher
- \* 8 Mb RAM (32 Mb recommended)
- \* 5 Mb hard disk space
- \* VGA or higher resolution monitor
- \* Mouse or other pointing device

**INSTALLING THIS PRODUCT**

To install this release to your computer, double click on the file pcmedik.exe that you downloaded from our website and follow the instructions that appear on the screen.

**UNINSTALLING THIS PRODUCT**

To uninstall this release from your computer, open the Control Panel folder and double-click the Add-Remove Program icon. Select PCMedik from the list, click the Add/Remove button, and follow the instructions that appear on the screen.

Notes:

- \* You may also want to delete the following registry key  
HKEY\_LOCAL\_MACHINE\Software\PGWARE\PCMedik

If you do not delete these registry entries then no effect to your computer will occur. Deleting this key allows you to completely remove all traces of the software from your computer. If you have registered the software and choose to reinstall the software after deleting these registry entries then you must input the serial number once again within the software.

### **REGISTERING THIS PRODUCT**

PCMedik is shareware, this means it must be purchased before all benefits of the software are available. To remove the trial restrictions within PCMedik please purchase the product online, phone, fax or by mail. PCMedik costs \$9.31 US Dollars and can be purchased from setSystems.

You can register online using your credit card. setSystems offers secure transactions for users of Netscape or Microsoft Internet Explorer. To go to the registration page for PCMedik go to:

<http://secure.pgware.com/purchase.php?product=pcmedik>

- OR -

Alternatively, you can send a check or money order (in US Dollars drawn on a US bank), made payable to 'setSystems' to:

setSystems  
1257 Lake Plaza Drive  
Suite 230  
Colorado Springs, CO 80906  
U.S.A.

On the check or money order include your e-mail address and the Product - PCMEDIK, or include a small note with the check/money order with this information. Please note that orders by check/money order may take up to 1-2 weeks to be processed.

- OR -

Also you can call the toll-free number 1-888-201-7131 to purchase. Callers from outside the US should call 1-719-576-0115.

- OR -

Finally you can fax in the order. Include your full name, address, phone number, credit card details and your email address. Make sure to reference Product - PCMEDIK. Faxes should be sent to: +1 (719) 623-0399.

Upon registration (allow up to 1 working day for your registration to be processed) you will receive your registration serial number. This will be sent by e-mail if an e-mail address was specified when registering. When you receive your serial number, please enter the User/Serial into the program's registration screen and hit OK. The software will then behave as a fully licensed version.

## **TECHNICAL SUPPORT**

There are several ways which you can reach us to receive technical support. Registered customers have priority over non-registered customers in all cases. Most support questions will be handled within 24-48 hours.

WWW: <http://www.pgware.com/support.html>

E-mail: [support@pgware.com](mailto:support@pgware.com)

Fax: 815-425-8539 (US)

Questions, comments and technical support is provided between Monday - Friday from 8am - 5pm. Please note however we are closed on major holidays so replies to your requests may be significantly delayed.

## **DISTRIBUTION**

This software can freely be distributed under the agreement that the software itself is not being sold, rented or leased. However you are authorized to charge a minimal fee for any media such as CD-Rom, DVD-Rom, or floppy disks that the software is distributed on. Also the software must not be modified in anyway from it's original packaging/form, nor can any serial codes, key files or registration numbers be provided with the software. Finally the software must not be mis-represented in anyway such as being authored by any other individual/company or reference any association between any other individual/company and PGWARE.
