

# Now served with goodies galore.

How could the Pentium-crushing\* PowerBook® G3 possibly be any more desirable? Try this: if you buy one between now and April 30, you'll receive a mail-in coupon good for either a free 64-megabyte memory upgrade or a free copy of Connectix Virtual PC with Windows98 (lets you run PC software on your infinitely more lovable Mac®). A silver platter if ever there was one.
