

Now served with goodies galore.

How could the Pentium-crushing*
PowerBook® G3 possibly be any more desirable?
Try this: if you buy one between now and
April 30, you'll receive a mail-in coupon good for
either a free 64-megabyte memory upgrade
or a free copy of Connectix Virtual PC with
Windows98 (lets you run PC software on your
infinitely more lovable Mac®).
A silver platter if ever there was one.
