

## Noting Sources on Notecards

At the end of each notecard, list the source of the notes you took.

For different types of sources, you need to include different types of information. The following examples show notes for different types of sources.

### World Book Multimedia Encyclopedia

"Ocean." *The World Book Multimedia Encyclopedia*, Version X.X, IBM/World Book, 1998.

### Print Encyclopedia

"Ocean." *The World Book Encyclopedia*, 1993, Volume 14, pp. 386-403.

### Book

Lessem, Don. *Dinosaurs Rediscovered*. New York: Touchstone, 1992.

### Magazine Article

Kovacs, Kit. "Bearded Seals: Going with the Floe." *National Geographic*, March 1997, pp. 124-137.
