SPEAKER BIOGRAPHY

GENERAL SESSION

Panel: Audit, Mediation and Trust - The Role of Third Parties in the Security Infrastructure

Speaker: **Thomas J. Friedman**

Vice Chairman

NetDox Inc.

707 Lake Cook Road, Suite 318

Deerfield, IL 60015

Phone: 847-509-6663;

Fax: 847-509-6644

Presentation Overview:

Businesses traditionally rely on third parties for transactions, and these third parties are notoriously difficult - if not impossible - to replace with technology. As businesses move onto the Net, the need for trusted third parties grows. Who should they be? What roles should they attempt to fill? And who's doing it now? Our panel is sure to have a few opinions on the matter.
