

Curious Labs Limited Use License Agreement

By using this software you are agreeing and indicating your acceptance of these terms and conditions. If you do not agree with them you should return the software to the dealer from whom you purchased the product and your money will be refunded. If the dealer from whom you purchased this package fails to refund your money, contact Curious Labs, Inc. immediately at the address below. Curious Labs, Inc. (hereinafter referred to as Company), a California-based Corporation, provides the computer software (hereinafter referred to as Program) contained on the medium in this package and licenses its use. You assume full responsibility for the selection of the Program to achieve your intended results and for the installation, use and results obtained from the Program.

License

A. In consideration of the payment of a license fee, you are granted a personal, non-transferable and non-exclusive license to use the Program under the terms stated in this Agreement. You own the diskette or other physical media on which the Program is provided under the terms of this Agreement, but all title and ownership of the Program and enclosed related documentation (hereinafter referred to as Documentation), and all other rights not expressly granted to you under this Agreement, remain with the Company.

B. The Program may be used by you only on a single computer. Therefore, you must treat this software just like a book. With the exception of Item D below, "just like a book" means that this software may be used by any number of people and may be freely moved from one computer location to another, so long as there is no possibility of it being used at one location while the same copy is at the same time being used at another location. Just as the same copy of a book cannot be read by two different people in two different places at the same time, neither can the same copy of software be used by two different people in two different places at the same time.

Site licenses for multiple single users are available. Contact Curious Labs, Inc. for

details.

C. You and your employees and agents are required to protect the confidentiality of the Program.

You may not distribute or otherwise make the Program or Documentation available to any third party.

D. You may not copy or reproduce the Program or Documentation for any purpose except to

make one (1) archival copy of the Program, in machine readable or printed form, for backup

purposes only in support of your use of the Program on a single computer. You must reproduce

and include the Company copyright notice on the backup copy of the Program.

E. Any portion of the Program merged into or used in conjunction with another program will

continue to be the property of the Company and subject to the terms and conditions of this

Agreement. You must reproduce and include Company's copyright notice on any portion merged

in or used in conjunction with another program.

F. You may not sublease, assign or otherwise transfer the Program or this license to any other

person without the prior written consent of Company.

G. You acknowledge that you are receiving a LIMITED LICENSE TO USE the Program and

Documentation and that the Company retains title to the Program and Documentation. You

acknowledge that Company has a valuable proprietary interest in the Program and Documentation. You may not use, copy, modify or transfer the Program or

Documentation or any copy, modification or merged portion in whole or in part except as expressly provided for in

this Agreement. If you transfer possession of any copy, modification or merged portion of the

Program or Documentation to another party, your license is automatically terminated.

H. If you have purchased a NETWORK version of the software, this License Agreement applies

to the installation of the software onto a single file server. It may not be copied onto multiple

systems. Each node connected to the file server must also have its own node copy of the software

that becomes a license for that specific user.

Term

This license granted to you is effective until terminated. You may terminate it at any time by

returning the Program and Documentation to Company together with all copies, modifications and merged portions in any form. The license will also terminate upon conditions set forth elsewhere in this Agreement, or if you fail to comply with any term or condition of this Agreement. You agree upon such termination to return the Program and Documentation to Company together with all copies, modifications and merged portion in any form. Upon termination, Company can also enforce any rights provided by law. The provision of this Agreement which protects the proprietary rights of Company will continue in force after termination. Termination of this license, either voluntary or involuntary, does not entitle you to a refund of your purchase cost except as provided elsewhere in this License Agreement.

Limited Warranty

Company warrants, as the sole warranty, that the medium on which the Program is furnished will be free from defects in materials and workmanship under normal use and conditions for a period of ninety (90) days from the date of delivery to you as evidenced by a copy of your receipt. No distributor, dealer or any other entity or person is authorized to expand or alter either this warranty or this Agreement. Any such representations will not bind the Company. Company does not warrant that the functions contained in the Program will meet your requirements or that the operation of the Program will be uninterrupted or error-free. Except as stated above in this section, the Program and Documentation are provided as-is without warranty of any kind either expressed or implied, including but not limited to the implied warranties of merchantability and fitness for a particular purpose. You assume entire risk as it applies to the quality and performance of the Program and Documentation. Should the Program prove defective you (and not Company, authorized Company Distributor or dealer) assume the entire cost of all necessary servicing repair or correction. This warranty gives you specific legal rights and you may also have other rights which vary from state to state. Some states do not allow the exclusion of implied warranties, so the above exclusion may not apply to you.

Limitation of Remedies

Company's entire liability and remedy will be:

A. The replacement of any medium not meeting Company's 'Limited Warranty' explained above and which is returned to Company or an authorized Company distributor or dealer with a copy of your receipt; or
B. If Company is unable to deliver a replacement medium which conforms to the warranty provided under this Agreement, you may terminate this Agreement by returning the Program and Documentation to Company, authorized Company Distributor, or dealer from whom you obtained the Program and your license fee will be refunded.

Product Returns

If you must ship the Program and Documentation to an authorized Company Distributor, dealer or to Company, you must prepay shipping and either insure the Program and Documentation or assume all risk of loss or damage in transit. To replace a defective medium during the ninety (90) day warranty period, if you are returning the medium to Company, please send us your name and address, the defective medium and a copy of your receipt at the address provided below. In no event will Company be liable to you for any damages, direct, indirect, incidental or consequential, including damages for any lost profits, lost savings or other incidental or consequential damages arising out of the use or inability to use such Program and Documentation, even if Company has been advised of the possibility of such damages or for any claim by any other party. Some states do not allow the limitation or exclusion of liability for incidental or consequential damages so the above limitation or exclusion may not apply to you. In no event will Company liability for damages to you or any other person ever exceed the amount of the license fee paid by you to use the Program regardless of the form of the claim.

US Government Restricted Rights

The Program and Documentation are provided with restricted rights. Use, duplication or disclosure by the US Government is subject to restrictions as set forth in subparagraph (c)(1)(ii) of the Rights in Technical Data and Computer Software Clause at DFARS 252.227-7013 or subparagraph (c)(1) and (2) of the Commercial Computer Software Restricted Rights at 48 CFR 52.227-19, as applicable. Contractor/Manufacturer is Curious Labs, Inc.
