

Sending a file/files to a TeleFinder BBS with TeleFinder Pro™.

Name the script file as the BBS in you dialup dialog and drop the files on the scribt.

I would like to thank [Philippe Casgrain \(Casgrain@ecol.ucl.ac.be, Casgrain@ere.umontreal.ca\)](mailto:Casgrain@ecol.ucl.ac.be) for his great script to Eudora.

This script is e-mail/postcard ware. Send me a e-mail/postcard if you uses the script.
