

CatFinder v1.55 Registration

When you register CatFinder, you will receive a disk containing complete documentation, the latest release of CatFinder, and a registration code.

The registration fee is \$25 for a single machine license. If you wish to use CatFinder on more than one machine, add \$15 per additional machine. If you live outside the US, add \$5 for shipping and handling. You can use the following table to calculate your fee:

Single machine license

\$25

Number of additional machines _____ x \$15 =

Add \$5 for S&H if you live outside the US

Total

Payment can be made by check, money order, or cash. Make checks payable to Keith Turner in US dollars drawn on a US bank.

If you are a CompuServe user, you can register via CompuServe's Shareware registration service. This service can be accessed with GO SWREG. CatFinder's registration ID is 4226. The registration fee is \$30 if you register via this service.

Please supply the requested information below.
