Mastering QuarkXPress 3 by Carolyn Knight and Bruce Smith is the latest best seller from specialist computer publisher Bruce Smith Books.

This 352 page volume provides a complete and comprehensive guide to the latest QuarkXPress desktop publishing software.

It presents even the most sophisticated intricacies of the program in an easy to read manner, demonstrating what the reader can achieve with the software, instead of merely showing what the program is capable of doing.

Mastering QuarkXPress 3 offers a host of hints and tips on how to get the best from the software, together with a choice selection of worked examples for beginners and professionals alike. There's even a chapter on how to publish your own magazine!

So if you're into DTP, you should be reading Mastering QuarkXPress 3
