Thumbs up:

Metrowerks. These guys rule all.
Power Computing. Cool company. Good support. (thanksBill Fairchild ;)
Motorola, IBM, and Apple alliance.
(ok, ok... I live in Austin ;)
Ambrosia software. Awesome, awesome stuff.
Connectix. Think you guys could make a ModemDoubler ? :)
Computer Solutions. Thanks for everything Dennis.
Onyx Tech. QC has lowered my blood pressure.
Apple Computer Inc. Keep the dream alive --

Thumbs down:

Apple advertising. Pleezzzzze.
America Online advertising. (sigh)
Multi-media. Yeah. It's cool. For about five minutes.
Net jargon: "Surfing the web" etc...
Chat rooms.
On-line services in general.
Net censorship.

My Wish List

Hardware acceleration in all PowerPC computers. Game makers want it. Game players want it. Desktop publishers want it. Include it. We will buy it.

End of list.

Thanks

Joy Hawn. Vic Wang. Matt Sanders. Jon Pattillo. Amy Wheelless.
