

Program Switcher is brought to you by Michael F. Kamprath!

Who is Michael F. Kamprath?

Michael is the first and only son of Fredric and Lei Lani Kamprath.

What does Michael F. Kamprath do?

Michael is a “rocket scientist” currently serving his active duty commitment to the U.S. Air Force. He is presently a First Lieutenant and he might make the Air Force a career. His hobbies include women (well, actually a woman), biking, computers, biking, and fine beer (in that order).

Where can I find out more about Michael F. Kamprath?

Check out his home page at <<http://www.leonardo.net/kamprath/home.html>>.
