

## Yet Another File Viewer

A simple viewer for text and image files.

Yet Another File Viewer Lite is shareware. Please register the program if you use it. It may not be sold for profit or included with other software, products, publications, or services which are sold for profit without the permission of Brian Clark.

[<mailto:baclark@kagi.com>](mailto:baclark@kagi.com)

Yet Another File Viewer requires Mac OS 8.5 or later.

Text editing code using the WASTE text engine is based on code by Marco Piovaneli and Dan Crevier. The regular expression code is a modified version of code by Henry Spenser. "Natural Order" sorting is based on code by Stuart Cheshire. Some utility routines are heavily modified versions of code by John Norstad.

YET ANOTHER FILE VIEWER IS PROVIDED AS IS, WITHOUT ANY WARRANTY OR PROMISE OF TECHNICAL SUPPORT. BRIAN CLARK DISCLAIMS ANY LIABILITY OF ANY KIND FOR ANY DAMAGES WHATSOEVER RESULTING FROM THE USE OF YET ANOTHER FILE VIEWER, INCLUDING, WITHOUT LIMITATION, INCIDENTAL, CONSEQUENTIAL, INDIRECT OR SPECIAL DAMAGES OF ANY KIND, EVEN IF BRIAN CLARK IS AWARE OF THE POSSIBILITY OF SUCH DAMAGES. BRIAN CLARK MAKES NO WARRANTIES, EXPRESS OR IMPLIED, WITH RESPECT TO THE PROGRAM, INCLUDING BUT NOT LIMITED TO WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE.
