

## Chapter 5; Miscellaneous:

The Iron Software Web site:

You can find other fine shareware and freeware programs written by the author of MailFetch at the Iron Software Web site, located at:

<http://www.IronSoftware.com>

Shareware distributors:

You may put MailFetch in your CD-ROM, Disk of the Month, Web Page, shareware catalog, etc., etc.

MailFetch may be distributed by any means, as long as you don't modify it, providing this manual accompanies it, and providing the usual guidelines for redistributing shareware are followed.

Legal Disclaimer:

Karl Bunker hereby disclaims all warranties relating to this software, whether express or implied, including without limitation any implied warranties of merchantability or fitness for a particular purpose. Karl Bunker will not be liable for any special, incidental, consequential, indirect or similar damages due to loss of data or income or any other reason, even if Karl Bunker or an agent of his has been advised of the possibility of such damages. In no event shall Karl Bunker be liable for any damages, regardless of the form of the claim. The person using the software bears all risk as to the quality and performance of the software.
