

Registering KeySwapper:

I've worked very hard on this utility and would like to continue to update KeySwapper as well as release other useful and fun utilities and games, but the only way I can do this is if you send in the requested fee. Please, if you use this, send in the small fee requested along with the registration form (it can be filled out and printed from within the "Registration (open me!)" application, select the option "How to Register..." button in the Help dialog box to learn more about registering). VISA, MasterCard, Discover & American Express payments are now accepted via FAX, email and standard mail. You will receive a registration code via e-mail or U.S. mail if you don't have an e-mail address. Do your part to keep the idea of shareware going! Thank you.

I have tested KeySwapper to the best of my ability, but cannot possibly test it with every application, INIT setup, etc. If you find any problems, please let me know about it. Also, if you have any suggestions of other features you'd like to see, let me know. You can contact me at the address or on-line service below:

Multiple Copy discounts and Site Licenses are available. Multiple copy discounts are calculated automatically when you use the "Registration (open me!)" application (when purchasing more than 9 copies).

If you'd like me to send the latest version of KeySwapper along with all my other shareware to try, send \$5 and I'll send you the latest of all my shareware. If you are requesting a disk and live in California, please add 7.25% sales tax, thank you.

Shareware fee: \$5 per copy

John V. Holder
1734 "S" Street
Eureka, CA 95501

FAX: (707) 443-3813

Email:

America Online: johnholder@aol.com

(AOL is preferred)

Home Page.....: <http://www.northcoast.com/~jvholder>
(check for the latest new releases and updates!)

Purchase Orders:

Purchase orders are accepted. Just print the registration form from within the "Registration (open me!)" application, fill in the appropriate information including the Purchase Order number, sign and mail it.

Registered Users of KeySwapper:

This version of KeySwapper is a free upgrade for registered users of any previous versions of KeySwapper (unless of course you'd like to send a few \$\$ just for the heck of it ;-). If you have registered for KeySwapper and need the registration code, send me an e-mail message with your name and address (so I may confirm your registration) or send a self addressed stamped return envelope and I'll send you the code. Thank you for your support!

Registering securely via the web:

You can register securely for any of our products directly from our web site. Just point your browser to <http://www.northcoast.com/~jvholder> for more information.
