

Menuette is copyright ©1993 Robert L. Mathews. All rights not specifically ceded herein reserved.

This software program may be freely duplicated and redistributed to others by any means, with the following restrictions:

1. copies of the program displaying a serial number in the main window may not be distributed; and
2. the program and all associated files must be kept together, and may not be distributed individually.

While Menuette has been successfully tested on a variety of computer configurations, its operation is not guaranteed to be error-free or uninterrupted. Use of this software is at your own risk, and — as with any new software you use — you should exercise caution when using it, including first making backup copies of any critical data, until you are sure that no problems exist.

Menuette and Menuette Set are trademarks of Robert L. Mathews. Other terms known to be trademarks have been appropriately capitalized; use of a term should not be regarded as affecting the validity of any trademark. Noogie is not a trademark. Yet.
