## How To Register

SwitchBack is not free, it is shareware.   If you wish to use it, you should send US$25 or currency equivalent to the authors at the following address.   By sending in the money you will encourage further improvements to the program.

Please send your registration to:

Glendower Software Ltd.

12, Grosvenor Terrace

Wadestown

Wellington 1

New Zealand.

In return you will receive a number calculated from your name that will allow you to register your copy of SwitchBack.

Commercial and education site license options are available.   Please contact the authors at the above address for further information.

The SwitchBack distribution archive may be included on CD and online distribution systems, provided it is not altered in any way.
