

# Time Clock Master 2.0

Written by

W.C. Blumenstein

Time Clock Master Is the latest version of the original Time Master 1.1. It features an all new 'desk-top' look and has been re-written, replacing outmoded script techniques. Like its predecessor, Time Clock Master 2.0 is not freeware, nor is it public domain. It is Shareware, which means that you may try it free for 30 days, but must register it after that time if you still use it.

- You may copy and distribute the TIME CLOCK MASTER 2.0 SEA file, but not the individual application and read me file. This insures that others receive a complete package.
- You may not modify the TIME CLOCK MASTER 2.0 package in any way.
- You may not charge any fee for the use, copying, or distribution of the package.

# **Commercial Distribution of TIME CLOCK MASTER 2.0**

Clubs and User Groups may charge a nominal fee (not to exceed \$10) for expenses while distributing TIME CLOCK MASTER 2.0. All other organizations must obtain written permission to distribute copies of TIME CLOCK MASTER 2.0 if any fee is charged for the use, copying, or distribution of the product.

# Registration

If you find TIME CLOCK MASTER 2.0 useful and continue to use it beyond the 30 day free trial period, you are required to register your copy. To register your copy of TIME CLOCK MASTER 2.0, print and fill out the "registration form" file. If you do not have a means of printing the form, Print your name, address, and "TIME

CLOCK MASTER 2.0" on a  
blank sheet of paper along  
with a payment of \$20.00  
U.S. Funds to:

Willi-B Text  
740 Anderson Ln.  
Springfield, OR. 97477  
USA

This will afford you a  
Single-machine licensing.  
This allows you to use TIME  
CLOCK MASTER 2.0 on any  
ONE machine at any time.  
For example, one copy may

be used by any number of people and may be freely moved between computers, as long as there is no chance of the program being used simultaneously on more than one machine.

To request a site license, send a letter specifying your organization's name and address as they should appear on the license contract, and indicate the number of machines you wish to have covered by the

license. You will receive two copies of the site license which must be signed and returned along with the license fee. An authorized copy of the contract will then be mailed to you.

## **Program updates**

Registered users are entitled to free use of future versions of this product without paying any additional licensing fee. In general, users will not be notified directly of any new release, so it is a good idea to check electronic BBS for announcements of new versions. Typically, new releases will be found on America OnLine.

## **Warranty**

This product is supplied **AS IS**. The author hereby disclaims all warranties relating to this software, whether express or implied, including without limitation any implied warranties of merchantability or fitness for a particular purpose. The author will not be liable for any special, incidental, consequential indirect or similar damages due to loss of data or any other reason, even if the author has been

advised of the possibility of such damages. In no event will the author be liable for any damages, regardless of the claim. The person using the software bears all risk as to the quality and performance of the software.
