

Purchasing Information

AutoMenus Pro is distributed via the shareware system. When you initially received AutoMenus Pro, it should have been in a demo state. The demo version gives you a notice each time you restart your computer or access the AutoMenus Pro Control Panel.

To receive the non-demo single user version on disk, send \$13 in U.S. funds to:

Night Light Software

P.O. Box 2484

Oak Harbor, WA 98277-6484

Please send check, money order, or cash. C.O.D orders are accepted either by mail or on one of the following online services via e-mail:

Compuserve: 73457,426

America Online: NLSoftware

C.O.D orders must include \$5 extra.
