This will afford you a
Single-machine licensing.
This allows you to use
Invoice Master 2.0 on any
ONE machine at any time.
For example, one copy may
be used by any number of
people and may be freely
moved between computers,

as long as there is no chance of the program being used simultaneously on more than one machine.

To request a site license, send a letter specifying your organization's name and address as they should appear on the license contract, and indicate the number of machines you wish to have covered by the license. You will receive two copies of the site license which must be signed and

returned along with the license fee. An authorized copy of the contract will then be mailed to you.

Program updates

Registered users are entitled to free use of future versions of this product without paying any additional licensing fee. In general, users will not be notified directly of any new release, so it is a good

idea to check electronic BBS for announcements of new versions. Typically, new releases will be found on America OnLine.
