

# Getting more information

That's all there is to Getting Started! Use this information to connect to your BBS, transfer some files and send mail. Your bulletin board system operator can provide you with more information on the following subjects.

- How to create your own modem settings.
- Details on using the text editor.
- Creating a new topic in a conference window.
- Details on navigating a message thread.
- Trouble Shooting.
- Explanation of the differences in file transfer protocols.
- Locating a user name from the BBS.
- Adding and editing names in the Address Book.
- Using the Mail Outbox to mail files to other users.
- Batch file transfers.

You can reach Spider Island Software by the following means.
