

Info

The sample questions file supplied contains some material which is copyright ©1983 Horn Abbot International. All rights in respect of this copyright are recognised.

Add your own copyright or info message to this window for questions files you have created. Choose "Customise..." from the file menu, then click on "©Message...". Type in your message. When you click OK, the copyright message will be saved with your file automatically as long as you define at least one other type of custom attribute.
