

Quadrille

Foundations marked "5" build down circularly, in suit, to the King. Foundations marked "6" build up in suit to the Jack. Foundations marked "Q" accept only a single Queen.

Deal one card onto the discard pile by clicking the hand. Top card of the discard pile may be played on the foundations.

Redeal by clicking the empty hand. You may redeal twice.

Goal: Move all cards to the foundations, at which point all twelve face cards will be visible.
