

# DictionaryEdit

Version 1.1.2

Thank you for downloading DictionaryEdit, the best tool for editing Speech Manager dictionaries.

## Pricing

DictionaryEdit is **shareware**. In other words, if you use it, you must pay for it. I have put a lot of effort into making this program the best dictionary editor around, with excellent ease of use, and a good-looking interface. If you use it for more than simply evaluation purposes, then you are obliged to send me either **\$15** or **£10** in bank notes, to the address below. Receiving shareware fees will encourage me to release updates, and develop other useful software.

Please send your shareware fees to:

Simon Fraser  
Centre for Population Biology  
Imperial College at Silwood Park  
Ascot, Berkshire SL5 7PY  
England.

and if you have any queries regarding the software, feel free to e-mail to:

s.fraser@ic.ac.uk

(Internet)

## Legal stuff

DictionaryEdit is ©Simon Fraser 1994. It is supplied 'as is', and you use it entirely at your own risk. I hold no responsibility for damage or loss of data incurred as a result of its use.

## Distribution

DictionaryEdit may be freely distributed by non profit-making organizations and user groups, so long as it is accompanied by this documentation. It may not be distributed on CD-ROM or other media by profit-making organizations (e.g. on magazine cover disks) without my express permission, obtainable by e-mailing the address above.
