

About the DEMO Version

This demonstration version of MacPing™ 3.0 offers the full capabilities of MacPing. You can test your AppleTalk or IP network, as well as print and save the network status to a TEXT file. There are two limitations: the demonstration version is limited to testing five AppleTalk zones and will become inoperable four weeks after the first date you use it.

MacPing 3.0 DEMO is being distributed free of charge, but is copyright © 1992-1994 Trustees of Dartmouth College. A full version may be obtained from:
