

To Whom it May Concern,

Thank you for downloading one of the many Romancrow Graphics illustrations on America Online. Please look for more incredible 3D illustrations in the near future. Well, now that you are about to see what type of work I do here at Romancrow, you may be interested in one of our few, but soon to be many, disks available for your viewing pleasure. Please take the time to read the descriptions and pricing information below, then, if you'd like, simply print and fill out the order form I've enclosed. Thanks again and I look forward to receiving your order.

Sincerely,
Gregg Raaum
President

Available Macintosh Disks
all illustrations are saved in PICT format

3D Backgrounds, Volume I - Disk I

This series of illustrations features 3-dimensional backgrounds which can be used for any type of work you desire. Simply insert text or graphics to create your own virtual masterpiece. Includes complete renderings in thousands of colors of: space, earth, clouds, planets, sun, as well as many abstract renderings. *Price - \$15 - includes shipping*

The Romancrow Sampler I

This sampler disk features a little bit of everything from backgrounds to various objects to logos. All images are non-copyright except the logos, which are the sole property of Romancrow Graphics. *Price - \$15 - includes shipping*

3D Abstract Renderings, Volume I - Disk I

Our favorite work here at Romancrow is to create 3-dimensional abstract renderings. These images are, to say the least, very psychedelic. The keyword here is mindboggling! All images are copyrighted. *Price - \$15 - includes shipping*

3D Logo Design, Volume I - Disk I

When someone needs to create a logo, whether it be for business or otherwise, we here at Romancrow believe that the best ideas come from viewing others' creations. Check out these logo designs and gain inspiration for your own marvelous creation. All logos are non-copyrighted. *Price - \$15 - includes shipping*
