Please copy and distribute Inventory Master 2.0 for non-commercial use with the following restrictions:

- You may copy and distribute the Inventory Master 2.0 SEA file, but not the individual application and read me file. This insures that others receive a complete package.
- You may not modify the Inventory Master 2.0 package in any way.
- You may not charge any fee for the use, copying, or distribution of the package.

Commercial Distribution of Inventory Master 2.0

Clubs and User Groups may charge a nominal fee (not to exceed \$10) for expenses while distributing Inventory Master 2.0. All other organizations must obtain written permission to distribute copies

of Inventory Master 2.0 if any fee is charged for the use, copying, or distribution of the product.

- **Registration**

If you find Inventory Master 2.0 useful and continue to use it beyond the 30 day free trial period, you are required to register your copy. To register your copy of Inventory Master 2.0, print and fill out the "registration

form" file. If you do not have a means of printing the form, Print your name, address, and "Inventory Master 2.0" on a blank sheet of paper along with a payment of \$20.00 U.S. Funds to:

Willi-B Text
740 Anderson Ln.
Springfield, OR. 97477
USA

This will afford you a Single-machine licensing. This allows you to use

Inventory Master 2.0 on any ONE machine at any time. For example, one copy may be used by any number of people and may be freely moved between computers, as long as there is no chance of the program being used simultaneously on more than one machine.

To request a site license, send a letter specifying your organization's name and address as they should appear on the license

contract, and indicate the number of machines you wish to have covered by the license. You will receive two copies of the site license which must be signed and returned along with the license fee. An authorized copy of the contract will then be mailed to you.

- **Program updates**

Registered users are entitled to free use of future

versions of this product without paying any additional licensing fee. In general, users will not be notified directly of any new release, so it is a good idea to check electronic BBS for announcements of new versions. Typically, new releases will be found on America OnLine.
