QuarkXPress gives you the ability to set the pasteboard width but not the length. Easel solves that problem. Easel adds a new menu item to the preferences menu. To activate Easel, select **Easel...** from the *Preferences* menu. The Easel Preferences dialog will appear.

Easel Preferences
Pasteboard Length: 144 pt

OK   Cancel

Easel is FREE from XChange and Vision's Edge, Inc.

Portions © 1986-1992 Quark, Inc.
All rights reserved.

Enter the desired pasteboard length and click on the **OK** button. The pasteboard length will be set for each document you open. Easel will not change the pasteboard length for currently open documents.
