

Gary,

Here is my stuff for the newsletter. One is my regular Best of... column and the other is news for the DTP SIG. The first meeting is Orientation and Evaluation on May 21, 1991, 6-9 Pyle Recreation Center, Tempe. The second meeting is at the same place on June 18, 1991. The subject has not been set absolutely. I will call John M. and ask him about Ventura Publisher.
