Computer Programming

→

I have extensive computer programming & analysis experience on micro-computers as well as Main Frame computers :

Macintosh
Apple][
IBM 7094
CDC 6600
Univac 1100
General Electric Termi-Net 300
DEC 1170

→

I have programmed in the following languages :

Assembly (6502, 6809 & 68000)
Pascal
C
FORTRAN
BASIC

→

I have applied my computer programming and analysis experience to solving the following types of problems:

Systems Analysis
Program Planning
Schedule Variation Analysis
Science & Engineering
