Hubris Software
Announces Upgrades   September 17, 1993

Eight popular externals for the Hermes BBS have been upgraded. They have been updated to reflect the changes in Hermes 2.5. Below you will find information about obtaining upgrades.

Upgrade - Registered Users Special

Registered users of CT Paks 1 and 2 can receive all upgrades before December 15, 1993 for $20. This only includes persons who registered with Randy Brown and have never paid me for updates.

Users who registered with me or who paid an upgrade fee for 2.2 are eligible for FREE updates to 2.5. Your current registration numbers should work with the new version. Please contact me if you have any problems.

Special Offer for Non-Registered Users

Register both Paks 1 and 2 by December 15, 1993 for $45. Receive 2.5 upgrade FREE.
