

## **Chuck Jones' Peter And The Wolf**

### **Magical Sights and Sounds to Children of all Ages!**

The timeless tale of Peter and The Wolf is brought to sparkling life through the unique brilliance and wit of animation legend Chuck Jones and conductor/director George Daugherty. Starring the voices of Kirstie Alley, Lloyd Bridges and Ross Malinger as Peter, this colorful interpretation of Sergei Prokofiev's classic is an engaging introduction to the magical world of music. Children will enjoy hours of fun and interactive discovery as they learn to recognize each instrument and its part in the orchestra. Live video performances by young musicians will inspire children to experiment on their own. A bonus audio CD of Prokofiev's magnificent score is also included.

- + Explore the unique charm of the various instruments and hear them perform the musical parts you select.
- + Treasure the beauty and power of Sergei Prokofiev's music through the lush orchestral soundtrack - created especially for this presentation.
- + Play a fun-filled bonus arcade-style game with Peter and his friends.
- + Enjoy a sensational new interpretation of a beloved children's classic.
- + Delight in Academy Award winning Chuck Jones' characters and their 22-minute animated tale.
