

EXPERIENCE A TOTAL MIND FLICK IN THE VORTEX: QUANTUM GATE II

The Vortex transports you into a frightening, compelling interactive world where every choice shapes the story's outcome.

The Vortex grabs your imagination and takes you deeper into the story of a young soldier, Drew Griffin, fighting for his life on a distant world. In this VirtualCinema™ movie, you experience the story as the main character. Through his eyes and mind, you discover the truth of the Quantum Gate and your choices decide the fate of two worlds.

Quotes:

"The Vortex has all the components of an Oscar-winning film—great acting, cool scenery, a stirring score, clever story line, and interesting costumes."

Multimedia World

"...the engrossing interactive element and wide variety of possible outcomes [make] Vortex a worthy and enjoyable investment of time."

Daily Variety

"The Vortex sets a new standard for interactive movies... an experience unlike anything else on the market.

Grade: A"

San Francisco Examiner

"The acting here easily outclasses anything else on CD-ROM. Vortex's characters are real enough to make you care about what happens to the people in writer/director Greg Roach's script."

Electronic Entertainment

"...you'll definitely get drawn into the movie in a powerful and exciting way."

New Age Journal

"HyperBole Studios' new 3-disc movie, The Vortex... comes as a certifiable breakthrough."

Seattle Times

"With a compelling story, fine acting, and excellent photorealistic graphics, The Vortex: Quantum Gate II is intriguing and a fascinating harbinger of things to come."
