

Introducing Slam City. This is live, in-your-face streetball and only Digital Pictures gets you in the game, one-on-one.

You wanna jam? Then shut-up, check the ball, and quit playing with cartoons. The hottest sports title ever to hit the rack is the real deal - Slam City with Scottie Pippen. Drive the lane. Strip the ball. Sky-walk the dunks. Take the rock to the hole past Fingers, Mad Dog, Juice and Smash and you may just get a chance to go one-on-one with the All-Star himself - Mister Scottie Pippen. This title is nothin' but net!

Full-screen, full-motion video unleashes the power of your Pentium® computer.

Take on real players, in 100% constantly interactive game play. No lags. No delays. Instant response. All in real video so sharp, it'll knock you into the front row. How's it done? The power of a Pentium processor, a 2x CD ROM drive and two patent-pending technologies from Digital Pictures: InstaSwitch® for instant action and DigiChrome™ for dazzling video. You'll need all this technological wizardry to face the wildest B-ball players this side of the 'hood.

Features:

- + 100% real video
- + Awesome above-the-rim slamdunks
- + Go one-on-one with the real Scottie Pippen (not a cartoon)
- + Blindingly fast action - shoot or steal at any time
- + Trash talk from the players and spectators
- + Respect points and improvable ability
- + Over 2 hours of full-screen, full-motion video
- + Instant response, no lags or delays

So go ahead, try taking it to the hole.

Who knows? You may even earn enough respect to face Scottie Pippen himself. It's Slam City, baby. It's why you bought a Pentium processor in the first place.
