

# Find Your Perfect Car and Get the Best Price with the Popular Mechanics New Car Buyers Guide - 1995

Buying a new car or truck is one of the biggest and most exciting investments you'll ever make. With so many makes and models available, how do you decide which one is right for you? And once you've decided, how do you get the best price from the dealer?

Let *Popular Mechanics New Car Buyers Guide - 1995* help you find the perfect car, truck, sport utility vehicle, or passenger van. This software helps you choose from over 800 vehicles - complete with color photos, feature descriptions, optional equipment, and more. It even shows you the actual dealer cost for all vehicles and options, so that you can negotiate a rock-bottom price.

## Features:

- + Over 800 cars, trucks, sport utility vehicles, and vans
- + Retail sticker price and dealer invoice costs for base model and options
- + Search by price, manufacturer, features, and more
- + Full motion color video for hundreds of vehicles
- + Practical advice on how to negotiate the best deal
- + Calculators for leases, loans, fuel costs and affordability
- + Popular Mechanics owner satisfaction reports
- + Glossary of over 200 automotive terms
- + Telephone database for manufacturers, services, and agencies

## What the Critics Say:

"One of this year's neater bits of software."

- *The New York Times*

"The best automobile software I've seen."

- *The Wall Street Journal*
