

## **Your First TEN HOURS Online Are FREE!**

At the signpost up ahead, your on-ramp to the electronic super highway... your next stop *America Online*.

There's only one way to get the big picture about America Online for Windows. Try it. With every new window you open, you'll be impressed by how much you can do with a computer, a modem and America Online. And how easily you can do it.

### **Computing & Software**

Computing advice from the experts including more than 100 hardware and software makers like Clear and WordPerfect. Thousands of public domain software programs, ranging from games to utilities, that you can download and use when you're not on the service. Plus, Macworld Magazine Online!

### **The Microsoft Small Business Center**

Everything you need to organize, manage, and promote your business, with advice from experienced business professionals around the country.

### **Shopping & Special Interest Clubs**

Low airfares and hotel reservations through EAASY SABRE, electronic shopping, 35 clubs, multi-player graphic games, and much more.

### **Learning & Reference**

National Geographic Online, the searchable Compton's Encyclopedia, a career center, and nightly homework help for the kids!

### **News, Stock Quotes & Portfolio Management**

The latest news, weather, and sports, 15 minute delayed stock quotes, an online broker and portfolio management system.

### **PLUS**

An international e-mail gateway, fax and U. S. mail services, messages boards, and a nationwide network of computer users like you!
