## Continuing Medical Education Guide for Physicians — 2004-2006

The CME Guide for Osteopathic Physicians — 2004-2006 is designed to provide osteopathic physicians with a basic guideline as to how they may obtain CME credit.

All AOA members, other than those exempted, are required to participate in the CME program and to meet specified CME credit hour requirements for the 2004-2006 CME cycle.
