## *characters*

---

### ***SEAN MONROE (Jason Brooks)***

Head of the training center, Sean is an alpha male with great leadership qualities that include determination, understanding and willingness to help anyone that needs it. He has a dark side, though; several years ago he lost his son in a drowning accident. Then his wife left him. Since that time, he won't allow anyone to get close.

---

### ***JACK "J.D." DARIUS (Michael Bergin)***

An obsessive compulsive, J.D. is the team mechanic able to fix any rig, any place, any time. He harbors deep emotions that he seldom lets out in public. He has not quite gotten over the loss of his last girlfriend, Jessie, but is willing to "test the waters" with Kekoa.

---

### ***LEIGH DYER (Brandi Roderick)***

Originally part of the North Shore Lifeguards, Leigh has been assigned to the training center. Leigh, a former army brat, is a great businesswoman who is continually coming up with ways to help Sean keep the center afloat. She is secretly in love with Sean, but knows he is not ready for her—yet.

---

### ***JENNA AVID (Krista Allen)***

Jenna is head of the North Shore Lifeguards. After Sean unceremoniously dumped her, it has become her mission in life to destroy the training center. She will use everything in her power, from manipulating his co-workers at the training center to using her considerable political skills to try to shut him down. But what she really wants is to get him back.

---

### ***KEKOA TANAKA (Stacy Kamano)***

A great navigator, Kekoa straddles the line between "old Hawaii" and the new. She is constantly battling with her father, played by Pat Morita, who wants her to be more traditional and does not understand her passion for lifeguarding. Kekoa is in love with J.D., but her father does not approve of their relationship.

---

### ***JASON IOANE (Jason Momoa)***

Jason is a talented lifeguard who finds himself in the unusual position of having moved from rookie to trainer. This new responsibility does not always sit well with him, and there are times when his "bad boy" self resurfaces. A peerless playboy, he often gets himself into trouble because he cannot control his passions.

---

### ***CARRIE SHARP (Alicia Rickter)***

A rich girl who excels in gymnastics, Carrie is a new trainee. Manipulative, smart, and aware of her affect on men, Carrie is willing to use her body to get what she wants. However, there are all sorts of little girl insecurities that lie beneath her seeming bravado.

---

### ***ZACK McEWAN (Charlie Brumbly)***

A new trainee, Zack is a true talent in the water. Unfortunately, his youthful exuberance and willingness to break the rules constantly get him into trouble. He can perform the most daring rescues, but is thoughtless of the risks he is taking with his own life and, potentially, the lives of others. His biggest challenge is to learn the meaning of "teamwork."
