1. System Requirements

- Windows 95/98 or Windows NT 4.0 or higher
- Intel Pentium or higher
- 32MB or more RAM
- 16MB available hard drive space for program files
- Windows-compatible pointing device
- True Color or HiColor display adapter and monitor, 800 * 600 pixels or above (recommended)

2. Browsers

- Please install Microsoft Internet Explorer in order to preview your work inside Ulead SmartSaver Pro.
- Ulead SmartSaver Pro is able to output the <DIV> tag when you use the absolute-position feature or select "Insert Ulead SmartSaver Pro Image" from Microsoft FrontPage. Note that the <DIV> tag is supported in Netscape Navigator 4.x and Microsoft Internet Explorer 4.x or above.

3. Using Ulead SmartSaver Pro in MS Frontpage

A Ulead SmartSaver Pro plug-in mode can be used within MS FrontPage. However, FrontPage 97 will discard Ulead SmartSaver Pro's <DIV> tag and <!...> remark tag. This may cause some problems when you use the "Update HTML" function later in Ulead SmartSaver Pro. This problem will not occur to FrontPage 98/2000.

4. Trial period information

Ulead SmartSaver Pro Trial Version is distributed free-of-charge to all users. This software is installed as a FREE trial use for a period of 15 days from the date of installation.

Ulead Online Program Banner ads will be displayed whenever you use this trial program. Once you purchase and install the full retail version of Ulead SmartSaver Pro in your computer, you will never see this banner any longer.
