## What is What PC? faxline?
*WhatPC? faxline* is a 24-hour information hotline service which makes back articles of *What PC?* instantly available, via your fax or fax modem. Using the latest voice and fax technology, reviews, features and other articles from 1995 to date can be sent instantly to your fax machine and printed out at high quality. Over future months, the service will be constantly updated to hold the very latest articles from *What PC?*

## How to use What PC? faxline
Call *0930 101001* from the handset of your fax machine (the handset must be switched to tone). You will hear a message introducing the service. You will then be prompted to press 1 on the keypad of your handset for the index menu. Please wait to hear a definite fax tone before pressing 'Start'. Once you have an index, you can call into the system again – press 2 from the main prompt and, when requested, enter the document number you want. The system will confirm your selection and allow you to select up to three documents in total. Once familiar with the system, you can speed up the process by pressing the appropriate digits on your phone at any time during the prompts.
