

Surfin' the Net

by Matthew A. Hudson

This month we focus on Halloween and a site I like to hang around.

Halloween 96:

<http://family.starwave.com/seasonal/halloween>

Nice place to get activities and safety tips for Halloween.

The Virtual Haunted House:

<http://www.dtechsys.com/school/ikhaunt.htm>

A nice little haunted house created by some 6th graders.

Virtual Jack-O-Lantern:

<http://www.chaco.com/~glenn/Jack/>

This site allows you to make your own electronic punkin' head.

Halloween Quiz:

<http://www.magicnet.net/~slybootz>

How much do you know about Halloween?

Auctions on the Web

<http://www.ebay.com/aw>

This is a site I tend to frequent. If you are looking to sell something or are trying to find a deal, this is the place to check out.
